The Campaign Is Off To A Great Start...

After a week and a half of campaign receptions we have already raised \$214,745 from only 27 gifts!

The “Honoring Our Past, Uniting in Faith” Capital Campaign has now held five very well attended campaign receptions. Parishioners from all six churches have joined us to hear about our exciting project and ask questions. **To date, we have raised over 14% of our campaign goal of \$1.5 million from only 2% of the registered families!** This a great start, but we encourage every family to get involved by attending a campaign reception. **However, no family will be asked to make a financial commitment at a reception.**

It is only through each family’s involvement that we will be successful and realize our goal of providing a central location for all our families to come and share in the wonders of our great Catholic faith.
